

DATA PROCESSING ADDENDUM

This Data Processing Addendum (“**DPA**”) forms part of the Service Agreement or other written or electronic agreement between IIJ and Customer for the purchase of online services (including associated IIJ offline or mobile components) from IIJ (identified either as “Services” or otherwise in the applicable agreement, and hereinafter defined as “**Services**”) (the “**Agreement**”) to reflect the parties’ agreement with regard to the Processing of Personal Data.

By signing the Agreement, Customer enters into this DPA on behalf of itself and, to the extent required under applicable Data Protection Laws and Regulations, in the name and on behalf of its Authorized Affiliates, if and to the extent IIJ processes Personal Data for which such Authorized Affiliates qualify as the Controller. For the purposes of this DPA only, and except where indicated otherwise, the term "Customer" shall include Customer and Authorized Affiliates. All capitalized terms not defined herein shall have the meaning set forth in the Agreement.

In the course of providing the Services to Customer pursuant to the Agreement, IIJ may process Personal Data on behalf of Customer and the Parties agree to comply with the following provisions with respect to any Personal Data, each acting reasonably and in good faith.

HOW THIS DPA APPLIES:

- (i) The Customer signing this DPA is a party to a Service Agreement between the Customer and IIJ. This DPA is an addendum to and forms part of the Service Agreement.
- (ii) This DPA shall not replace any comparable or additional rights relating to Processing of Customer Data contained in the Service Agreement (including any existing data processing addendum to the Agreement).

HOW TO EXECUTE THIS DPA:

- 1. This DPA consists of two parts: the main body of the DPA, and Schedules 1, 2, 3 and 4 (including Appendices attached thereto). For the avoidance of doubt, each reference to the DPA in this DPA means this DPA including its Schedules and Appendices.
- 2. By signing the application form to enter into the Service Agreement, the Customer and IIJ shall be deemed to constitute signature and acceptance of the Schedules to the DPA, including their Appendices, to the extent applicable and in order of precedence as specified in Section 11 of the DPA. Where Customer wishes to separately execute Schedule 4 of the DPA, Customer should sign on Page27.
- 3. The parties may execute this DPA in counterparts, each of which is deemed an original, but all of which together constitute one and the same agreement. This DPA may be delivered by facsimile transmission or by email exchange of PDF file, and facsimile copies or PDF files of executed signature pages shall be binding as originals.

Once executed by both Customer and IIJ, this DPA will become legally binding.

- 2.3 IIJ shall treat Personal Data as Confidential Information and shall only process Personal Data on behalf of and in accordance with Customer’s documented instructions for the following purposes: (i) Processing in accordance with the Agreement and applicable Order Form(s); (ii) Processing initiated by Users in their use of the Services; and (iii) Processing to comply with other documented reasonable instructions provided by Customer (e.g., via email) where such instructions are consistent with the terms of the Agreement.
- 2.4 The subject-matter of Processing of Personal Data by IIJ is the performance of the Services pursuant to the Agreement. The duration of the Processing, the nature and purpose of the Processing, the types of Personal Data and categories of Data Subjects Processed under this DPA are further specified in Schedule 1 (Details of the Processing) to this DPA.

3. RIGHTS OF DATA SUBJECTS

- 3.1 IIJ shall, to the extent legally permitted, promptly notify Customer if IIJ receives a request from a Data Subject to exercise the Data Subject's right of access, right to rectification, restriction of Processing, erasure (right to be forgotten), data portability, object to the Processing, or its right not to be subject to an automated individual decision making (“**Data Subject Request**”).
- 3.2 Taking into account the nature of the Processing, IIJ shall assist Customer by appropriate technical and organizational measures, insofar as this is possible, for the fulfilment of Customer’s obligation to respond to a Data Subject Request under Data Protection Laws and Regulations.
- 3.3 In addition, to the extent Customer, in its use of the Services, does not have the ability to address a Data Subject Request, IIJ shall upon Customer’s request provide commercially reasonable efforts to assist Customer in responding to such Data Subject Request, to the extent IIJ is legally permitted to do so and the response to such Data Subject Request is required under Data Protection Laws and Regulations. To the extent legally permitted, Customer shall be responsible for any costs arising from IIJ’s provision of such assistance.

4. IIJ PERSONNEL

- 4.1 IIJ shall ensure that its personnel engaged in the Processing of Personal Data are informed of the confidential nature of the Personal Data, have received appropriate training on their responsibilities and have executed written confidentiality agreements. IIJ shall ensure that such confidentiality obligations survive the termination of the personnel engagement.
- 4.2 IIJ shall take commercially reasonable steps to ensure the reliability of any IIJ personnel engaged in the Processing of Personal Data.
- 4.3 IIJ shall ensure that IIJ’s access to Personal Data is limited to those personnel performing Services in accordance with the Agreement.
- 4.4 Members of the IIJ Group have appointed a data protection officer. The appointed person may be reached at iijgroup-dpo-contact@iij.ad.jp.

5. SUB-PROCESSORS

- 5.1** Customer acknowledges and agrees that (a) IJJ's Affiliates may be retained as Sub-processors; and (b) IJJ and IJJ's Affiliates respectively may engage third-party Sub-processors in connection with the provision of the Services. IJJ and IJJ's Affiliates can engage another processor based on this DPA. Both IJJ and its Affiliates have in the past engaged and continue to engage multiple Sub-processors. The Sub-processors have been engaged by IJJ and its Affiliates at their own discretion and with only high data protection principles in mind. IJJ or an IJJ Affiliate have entered into a written agreement with each Sub-processor containing data protection obligations not less protective than those in this Agreement with respect to the protection of Customer Data to the extent applicable to the nature of the Services provided by such Sub-processor. The Customer herewith confirms the engagement of the current Sub-processors, pursuant to the change-notification procedure as shown in this Sect. 5.
- 5.2** IJJ shall upon request make available to Customer the current list of Sub-processors for the Services identified based on the request by Customer. Such Sub-processor lists shall include the identities of those Sub-processors and their country of location. IJJ shall provide notification of a new Sub-processor(s) before authorizing any new Sub-processor(s) to Process Personal Data in connection with the provision of the applicable Services. Notifications of new Sub-processors shall be done via e-mail to an address dedicated by the Customer for this purpose as indicated on the signing page below.
- 5.3** Customer may object to IJJ's use of a new Sub-processor by notifying IJJ promptly in writing within ten (10) business days after receipt of IJJ's notice in accordance with the mechanism set out in Section 5.2. In the event Customer objects to a new Sub-processor, as permitted in the preceding sentence, IJJ will use reasonable efforts to make available to Customer a change in the Services or recommend a commercially reasonable change to Customer's configuration or use of the Services to avoid Processing of Personal Data by the objected-to new Sub-processor without unreasonably burdening the Customer. If IJJ is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, Customer may terminate the applicable Order Form(s) with respect only to those Services which cannot be provided by IJJ without the use of the objected-to new Sub-processor by providing written notice to IJJ. IJJ will only refund Customer any prepaid fees covering the remainder of the term of such Order Form(s) following the effective date of termination with respect to such terminated Services, in case the customer's objection against a new sub-processor is based on reasonable concerns regarding the particular sub-processor or IJJ and Customer agrees to a refund at the time of cancellation.
- 5.4** IJJ shall be liable for the acts and omissions of its Sub-processors to the same extent IJJ would be liable if performing the services of each Sub-processor directly under the terms of this DPA, except as otherwise set forth in the Agreement.

6. SECURITY

IJJ shall maintain appropriate technical and organizational measures for protection of the security (including protection against unauthorized or unlawful Processing and against accidental or unlawful destruction, loss or alteration or damage, unauthorized disclosure of, or access to, Customer Data), confidentiality and integrity of Customer Data,. IJJ regularly monitors compliance with these measures. IJJ will not materially decrease the overall security of the Services during a subscription term.

7. SECURITY BREACH MANAGEMENT AND NOTIFICATION

IJJ maintains security incident management policies and procedures and shall, notify Customer without undue delay after becoming aware of the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to Customer Data, including Personal Data, transmitted, stored or otherwise Processed by IJJ or its Sub-processors of which IJJ becomes aware (a "**Customer Data Incident**"). IJJ shall make reasonable efforts to identify the cause of such Customer Data Incident and take those steps as IJJ deems necessary and reasonable in order to remediate the cause of such a Customer Data Incident to the extent the remediation is within IJJ's reasonable control. The obligations herein shall not apply to incidents that are caused by Customer or Customer's Users. IJJ will not contact data subject directly, unless the controller is unable to do so itself, requests IJJ's assistance in notifying the data subject and IJJ has the reasonable means to make a notification on the controller's behalf.

8. RETURN AND DELETION OF CUSTOMER DATA

IJJ shall return Customer Data to Customer and, to the extent allowed by applicable law, delete Customer Data adhering to internationally acceptable standards and without undue delay.

9. AUTHORIZED AFFILIATES

- 9.1** The parties acknowledge and agree that, by executing the Agreement, the Customer enters into the DPA on behalf of itself and, as applicable, in the name and on behalf of its Authorized Affiliates, thereby establishing a separate DPA between IJJ and each such Authorized Affiliate subject to the provisions of the Agreement and this Section 9 and Section 10. Each Authorized Affiliate agrees to be bound by the obligations under this DPA and, to the extent applicable, the Agreement. For the avoidance of doubt, an Authorized Affiliate is not and does not become a party to the Agreement, and is only a

party to the DPA. All access to and use of the Services and Content by Authorized Affiliates must comply with the terms and conditions of the Agreement and any violation of the terms and conditions of the Agreement by an Authorized Affiliate shall be deemed a violation by Customer. The Customer is duly authorized to enter into this DPA in the name and on behalf of the respective authorized affiliate, referring to the SAMPLE OF POWER OF ATTORNEY (Schedule 2), and agrees to indemnify IJJ for any damages resulting from a lack of proper authorization.

- 9.2** The Customer that is the contracting party to the Agreement shall remain responsible for coordinating all communication with IJJ under this DPA and be entitled to make and receive any communication in relation to this DPA on behalf of its Authorized Affiliates.
- 9.3** Where an Authorized Affiliate becomes a party to the DPA with IJJ, it shall to the extent required under applicable Data Protection Laws and Regulations be entitled to exercise the rights and seek remedies under this DPA, subject to the following:
- 9.3.1** Except where applicable Data Protection Laws and Regulations require the Authorized Affiliate to exercise a right or seek any remedy under this DPA against IJJ directly by itself, the parties agree that (i) solely the Customer that is the contracting party to the Agreement shall exercise any such right or seek any such remedy on behalf of the Authorized Affiliate, and (ii) the Customer that is the contracting party to the Agreement shall exercise any such rights under this DPA not separately for each Authorized Affiliate individually but in a combined manner for all of its Authorized Affiliates together (as set forth, for example, in Section 9.3.2, below).
- 9.3.2** The parties agree that the Customer that is the contracting party to the Agreement shall, when carrying out an on-site audit of the procedures relevant to the protection of Personal Data, take all reasonable measures to limit any impact on IJJ and its Sub-Processors by combining, to the extent reasonably possible, several audit requests carried out on behalf of different Authorized Affiliates in one single audit.

10. LIMITATION OF LIABILITY

Each party's and all of its Affiliates' liability, taken together in the aggregate, arising out of or related to this DPA, and all DPAs between Authorized Affiliates and IJJ, whether in contract, tort or under any other theory of liability, is subject to the 'Limitation of Liability' section of the Agreement, and any reference in such section to the liability of a party means the aggregate liability of that party and all of its Affiliates under the Agreement and all DPAs together.

For the avoidance of doubt, IJJ's and its Affiliates' total liability for all claims from the Customer and all of its Authorized Affiliates arising out of or related to the Agreement and each DPA shall apply in the aggregate for all claims under both the Agreement and all DPAs established under this Agreement, including by Customer and all Authorized Affiliates, and, in particular, shall not be understood to apply individually and severally to Customer and/or to any Authorized Affiliate that is a contractual party to any such DPA.

11. EUROPEAN SPECIFIC PROVISIONS

- 11.1** IJJ will process Personal Data in accordance with the GDPR requirements including but not limited to those set forth in Article 28 thereof which are applicable to IJJ's provision of its Services. Relevant Clauses of the SCC 2021 attached hereto as the Schedule 3 (and amended by the UK Addendum, as applicable) are hereby incorporated and shall be complied with in respect of Personal Data to which GDPR applies, irrespective of the applied transfer mechanism.
- 11.2** Upon Customer's request, IJJ shall provide Customer with reasonable cooperation and assistance needed to fulfil Customer's obligation under the GDPR to carry out a data protection impact assessment related to Customer's use of the Services, to the extent Customer does not otherwise have access to the relevant information, and to the extent such information is available to IJJ. IJJ shall provide reasonable assistance to Customer in the cooperation or prior consultation with the Supervisory Authority in the performance of its tasks relating to Section 11.2 of this DPA, to the extent required under the GDPR.
- 11.3** This DPA and the Agreement are Customer's complete and final documented instructions at the time of signature of the Agreement to IJJ for the Processing of Personal Data. Any additional or alternate instructions must be agreed upon separately.
- 11.4** IJJ applies the following data transfer mechanisms for transfer of Personal Data from the European Union, the European Economic Area and/or their member states and Switzerland ("**EEA countries**") to non-EEA countries:
- a. the adequacy decisions granted by the European Commission in pursuant to Article 45 of the GDPR for transfers of Personal Data from the EEA countries to non-EEA countries which are granted with such adequacy decision;
 - b. the IJJ Processor BCR to transfers of Personal Data (i) among IJJ Group members who act as Processor or Sub-processor, or (ii) from a Customer established in the European Economic Area member states or Switzerland whose processing activities for the relevant data are governed by the GDPR and/or implementing national legislation to an IJJ Group member who acts as a Processor, or (iii) from non-European Economic Area member states for which

Customer has contractually specified that the GDPR and implementing national legislation shall apply, to an IIJ Group member who acts as a Processor, or (iv) from an IIJ Group member who acts as a Processor to a non-IIJ Group Sub-processor located outside the European Economic Area; and

- c. the SCC 2021 (set forth in Schedule 3 to this DPA) to transfers of Personal Data under this DPA from the European Union, the European Economic Area and/or their member states and Switzerland to countries which do not ensure an adequate level of data protection within the meaning of Data Protection Laws and Regulations of the foregoing territories, to the extent such transfers are subject to such Data Protection Laws and Regulations; and

In the event that no adequacy decision as stated in Section 11.4(a) of this DPA is applicable and a transfer of Personal Data is covered by more than one transfer mechanism, the transfer of Personal Data will be subject to a single transfer mechanism in accordance with the following order of precedence: (1) the IIJ Processor BCR, and (2) the SCC 2021.

11.5 IIJ applies the following data transfer mechanisms for transfer of Personal Data from the United Kingdom to other countries:

- a. the adequacy regulations granted by the United Kingdom's Secretary of State under section 17A of the Data Protection Act 2018 of the United Kingdom for transfers of Personal Data from the United Kingdom to countries which are granted with such adequacy decision;
- b. the UK Addendum (set forth in Schedule 4 to this DPA) to transfers of Personal Data under this DPA from the United Kingdom to countries which do not ensure an adequate level of data protection within the meaning of Data Protection Laws and Regulations of the United Kingdom, to the extent such transfers are subject to such Data Protection Laws and Regulations. IIJ reserves the right to update or replace the UK Addendum in Schedule 4 with an equivalent international data transfer mechanism at any time in the effort to comply with the Data Protection Laws and Regulations of the United Kingdom. The Customer will be informed in advance by IIJ and be deemed to agree, if the Customer does not object to such update or replacement of Schedule 4 within ten (10) business days upon being informed.

11.6 Regardless of the origin of Personal Data, IIJ applies the IIJ Processor BCR to transfers of Personal Data from an IIJ Group member who acts as a Controller to an IIJ Group member who acts as a Processor.

11.7 The UK Addendum and SCC 2021 apply to (i) the legal entity that has executed the UK Addendum or SCC 2021 as a data exporter and its Authorized Affiliates and, (ii) all Affiliates of Customer established within the European Economic Area and Switzerland (for the SCC 2021) or the United Kingdom (for the UK Addendum), which have signed Order Forms for the Services. For the purpose of the UK Addendum and SCC 2021, the aforementioned entities shall be deemed "data exporters".

11.8 This DPA and the Agreement are Customer's complete and final documented instructions at the time of signature of the Agreement to IIJ for the Processing of Personal Data. Any additional or alternate instructions must be agreed upon separately.

12. LEGAL EFFECT

8.1 Instructions

- (a) The Data Importer shall process the personal data only on documented instructions from the Data Exporter. The Data Exporter may give such instructions throughout the duration of the contract.
- (b) The Data Importer shall immediately inform the Data Exporter if it is unable to follow those instructions.

8.2 Purpose limitation

The Data Importer shall process the personal data only for the specific purpose(s) of the transfer, as set out in Annex I. B, unless on further instructions from the Data Exporter.

8.3 Transparency

On request, the Data Exporter shall make a copy of these Clauses, including the Appendix as completed by the Parties, available to the data subject free of charge. To the extent necessary to protect business secrets or other confidential information, including the measures described in Annex II and personal data, the Data Exporter may redact part of the text of the Appendix to these Clauses prior to sharing a copy, but shall provide a meaningful summary where the data subject would otherwise not be able to understand its content or exercise his/her rights. On request, the Parties shall provide the data subject with the reasons for the redactions, to the extent possible without revealing the redacted information. This Clause is without prejudice to the obligations of the Data Exporter under Articles 13 and 14 of Regulation (EU) 2016/679.

8.4 Accuracy

If the Data Importer becomes aware that the personal data it has received is inaccurate, or has become outdated, it shall inform the Data Exporter without undue delay. In this case, the Data Importer shall cooperate with the Data Exporter to erase or rectify the data.

8.5 Duration of processing and erasure or return of data

Processing by the Data Importer shall only take place for the duration specified in Annex I.B. After the end of the provision of the processing services, the Data Importer shall, at the choice of the Data Exporter, delete all personal data processed on behalf of the Data Exporter and certify to the Data Exporter that it has done so, or return to the Data Exporter all personal data processed on its behalf and delete existing copies. Until the data is deleted or returned, the Data Importer shall continue to ensure compliance with these Clauses. In case of local laws applicable to the Data Importer that prohibit return or deletion of the personal data, the Data Importer warrants that it will continue to ensure compliance with these Clauses and will only process it to the extent and for as long as required under that local law. This is without prejudice to Clause 14, in particular the requirement for the Data Importer under Clause 14(e) to notify the Data Exporter throughout the duration of the contract if it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under Clause 14(a).

8.6 Security of processing

- (a) The Data Importer and, during transmission, also the Data Exporter shall implement appropriate technical and organizational measures to ensure the security of the data, including protection against a breach of security leading to accidental or unlawful destruction, loss, alteration, unauthorized disclosure or access to that data (hereinafter “**Personal Data Breach**”). In assessing the appropriate level of security, the Parties shall take due account of the state of the art, the costs of implementation, the nature, scope, context and purpose(s) of processing and the risks involved in the processing for the data subjects. The Parties shall in particular consider having recourse to encryption or pseudonymization, including during transmission, where the purpose of processing can be fulfilled in that manner. In case of pseudonymization, the additional information for attributing the personal data to a specific data subject shall, where possible, remain under the exclusive control of the Data Exporter. In complying with its obligations under this paragraph, the Data Importer shall at least implement the technical and organizational measures specified in Annex II. The Data Importer shall carry out regular checks to ensure that these measures continue to provide an appropriate level of security.
- (b) The Data Importer shall grant access to the personal data to members of its personnel only to the extent strictly necessary for the implementation, management and monitoring of the contract. It shall ensure that persons authorized to process the personal data have committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality.
- (c) In the event of a Personal Data Breach concerning personal data processed by the Data Importer under these Clauses, the Data Importer shall take appropriate measures to address the breach, including measures to mitigate its adverse effects. The Data Importer shall also notify the Data Exporter without undue delay after having become aware of the breach. Such notification shall contain the details of a contact point where more information can be obtained, a description of the nature of the breach (including, where possible, categories and approximate number of data subjects and personal data records concerned), its likely consequences and the measures taken or proposed to address the breach including, where appropriate, measures to mitigate its possible adverse effects. Where, and in so far as, it is not possible to provide all information at the same time, the initial notification shall contain the information then available and further information shall, as it becomes available, subsequently be provided without undue delay.
- (d) The Data Importer shall cooperate with and assist the Data Exporter to enable the Data Exporter to comply with its obligations under Regulation (EU) 2016/679, in particular to notify the competent supervisory authority and the affected data subjects, taking into account the nature of processing and the information available to the Data Importer.

8.7 Sensitive Data

Where the transfer involves personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, or biometric data for the purpose of uniquely identifying a natural person, data concerning health or a person’s sex life or sexual orientation, or data relating to criminal convictions and offences (hereinafter “**Sensitive Data**”), the Data Importer shall apply the specific restrictions and/or additional safeguards described in Annex I.B.

8.8 Onward Transfers

The Data Importer shall only disclose the personal data to a third party on documented instructions from the Data Exporter. In addition, the data may only be disclosed to a third party located outside the European Union (in the same country as the Data Importer or in another third country, hereinafter “**Onward Transfer**”) if the third party is or agrees to be bound by these Clauses, under the appropriate Module, or if:

- (i) the Onward Transfer is to a country benefitting from an adequacy decision pursuant to Article 45 of Regulation (EU) 2016/679 that covers the Onward Transfer;
- (ii) the third party otherwise ensures appropriate safeguards pursuant to Articles 46 or 47 Regulation of (EU) 2016/679 with respect to the processing in question;
- (iii) the Onward Transfer is necessary for the establishment, exercise or defense of legal claims in the context of specific administrative, regulatory or judicial proceedings; or
- (iv) the Onward Transfer is necessary in order to protect the vital interests of the data subject or of another natural person.

Any Onward Transfer is subject to compliance by the Data Importer with all the other safeguards under these Clauses, in particular purpose limitation.

8.9 Documentation and compliance

- (a) The Data Importer shall promptly and adequately deal with enquiries from the Data Exporter that relate to the processing under these Clauses.
- (b) The Parties shall be able to demonstrate compliance with these Clauses. In particular, the Data Importer shall keep appropriate documentation on the processing activities carried out on behalf of the Data Exporter.
- (c) The Data Importer shall make available to the Data Exporter all information necessary to demonstrate compliance with the obligations set out in these Clauses and at the Data Exporter's request, allow for and contribute to audits of the processing activities covered by these Clauses, at reasonable intervals or if there are indications of non-compliance. In deciding on a review or audit, the Data Exporter may take into account relevant certifications held by the Data Importer.
- (d) The Data Exporter may choose to conduct the audit by itself or mandate an independent auditor. Audits may include inspections at the premises or physical facilities of the Data Importer and shall, where appropriate, be carried out with reasonable notice.
- (e) The Parties shall make the information referred to in paragraphs (b) and (c), including the results of any audits, available to the competent supervisory authority on request.

MODULE THREE: Transfer processor to processor

8.1 Instructions

- (a) The Data Exporter has informed the Data Importer that it acts as processor under the instructions of its controller(s), which the Data Exporter shall make available to the Data Importer prior to processing.
- (b) The Data Importer shall process the personal data only on documented instructions from the controller, as communicated to the Data Importer by the Data Exporter, and any additional documented instructions from the Data Exporter. Such additional instructions shall not conflict with the instructions from the controller. The controller or Data Exporter may give further documented instructions regarding the data processing throughout the duration of the contract.
- (c) The Data Importer shall immediately inform the Data Exporter if it is unable to follow those instructions. Where the Data Importer is unable to follow the instructions from the controller, the Data Exporter shall immediately notify the controller.
- (d) The Data Exporter warrants that it has imposed the same data protection obligations on the Data Importer as set out in the contract or other legal act under Union or Member State law between the controller and the Data Exporter.

8.2 Purpose limitation

The Data Importer shall process the personal data only for the specific purpose(s) of the transfer, as set out in Annex I. B., unless on further instructions from the controller, as communicated to the Data Importer by the Data Exporter, or from the Data Exporter.

8.3 Transparency

On request, the Data Exporter shall make a copy of these Clauses, including the Appendix as completed by the Parties, available to the data subject free of charge. To the extent necessary to protect business secrets or other confidential information, including personal data, the Data Exporter may redact part of the text of the Appendix prior to sharing a copy, but shall provide a meaningful summary where the data subject would otherwise not be able to understand its content or exercise his/her rights. On request, the Parties shall provide the data subject with the reasons for the redactions, to the extent possible without revealing the redacted information.

8.4 Accuracy

If the Data Importer becomes aware that the personal data it has received is inaccurate, or has become outdated, it shall inform the Data Exporter without undue delay. In this case, the Data Importer shall cooperate with the Data Exporter to rectify or erase the data.

8.5 Duration of processing and erasure or return of data

Processing by the Data Importer shall only take place for the duration specified in Annex I.B. After the end of the provision of the processing services, the Data Importer shall, at the choice of the Data Exporter, delete all personal data processed on behalf of the controller and certify to the Data Exporter that it has done so, or return to the Data Exporter all personal data processed on its behalf and delete existing copies. Until the data is deleted or returned, the Data Importer shall continue to ensure compliance with these Clauses. In case of local laws applicable to the Data Importer that prohibit return or deletion of the personal data, the Data Importer warrants that it will continue to ensure compliance with these Clauses and will only process it to the extent and for as long as required under that local law. This is without prejudice to Clause 14, in particular the requirement for the Data Importer under Clause 14(e) to notify the Data Exporter throughout the duration of the contract if it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under Clause 14(a).

8.6 Security of processing

- (a) The Data Importer and, during transmission, also the Data Exporter shall implement appropriate technical and organizational measures to ensure the security of the data, including protection against a breach of security leading to accidental or unlawful destruction, loss, alteration, unauthorized disclosure or access to that data (hereinafter “**Personal Data Breach**”). In assessing the appropriate level of security, they shall take due account of the state of the art, the costs of implementation, the nature, scope, context and purpose(s) of processing and the risks involved in the processing for the data subject. The Parties shall in particular consider having recourse to encryption or pseudonymization, including during transmission, where the purpose of processing can be fulfilled in that manner. In case of pseudonymization, the additional information for attributing the personal data to a specific data subject shall, where possible, remain under the exclusive control of the Data Exporter or the controller. In complying with its obligations under this paragraph, the Data Importer shall at least implement the technical and organizational measures specified in Annex II. The Data Importer shall carry out regular checks to ensure that these measures continue to provide an appropriate level of security.
- (b) The Data Importer shall grant access to the data to members of its personnel only to the extent strictly necessary for the implementation, management and monitoring of the contract. It shall ensure that persons authorized to process the personal data have committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality.
- (c) In the event of a Personal Data Breach concerning personal data processed by the Data Importer under these Clauses, the Data Importer shall take appropriate measures to address the breach, including measures to mitigate its adverse effects. The Data Importer shall also notify, without undue delay, the Data Exporter and, where appropriate and feasible, the controller after having become aware of the breach. Such notification shall contain the details of a contact point where more information can be obtained, a description of the nature of the breach (including, where possible, categories and approximate number of data subjects and personal data records concerned), its likely consequences and the measures taken or proposed to address the data breach, including measures to mitigate its possible adverse effects. Where, and in so far as, it is not possible to provide all information at the same time, the initial notification shall contain the information then available and further information shall, as it becomes available, subsequently be provided without undue delay.
- (d) The Data Importer shall cooperate with and assist the Data Exporter to enable the Data Exporter to comply with its obligations under Regulation (EU) 2016/679, in particular to notify its controller so that the latter may in turn notify the competent supervisory authority and the affected data subjects, taking into account the nature of processing and the information available to the Data Importer.

8.7 Sensitive Data

Where the transfer involves personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, or biometric data for the purpose of uniquely

identifying a natural person, data concerning health or a person's sex life or sexual orientation, or data relating to criminal convictions and offences (hereinafter "**Sensitive Data**"), the Data Importer shall apply the specific restrictions and/or additional safeguards set out in Annex I.B.

8.8 Onward Transfers

The Data Importer shall only disclose the personal data to a third party on documented instructions from the controller, as communicated to the Data Importer by the Data Exporter. In addition, the data may only be disclosed to a third party located outside the European Union (in the same country as the Data Importer or in another third country, hereinafter "**Onward Transfer**") if the third party is or agrees to be bound by these Clauses, under the appropriate Module, or if:

- (i) the Onward Transfer is to a country benefitting from an adequacy decision pursuant to Article 45 of Regulation (EU) 2016/679 that covers the Onward Transfer;
- (ii) the third party otherwise ensures appropriate safeguards pursuant to Articles 46 or 47 of Regulation (EU) 2016/679;
- (iii) the Onward Transfer is necessary for the establishment, exercise or defense of legal claims in the context of specific administrative, regulatory or judicial proceedings; or
- (iv) the Onward Transfer is necessary in order to protect the vital interests of the data subject or of another natural person.

Any Onward Transfer is subject to compliance by the Data Importer with all the other safeguards under these Clauses, in particular purpose limitation.

8.9 Documentation and compliance

- (a) The Data Importer shall promptly and adequately deal with enquiries from the Data Exporter or the controller that relate to the processing under these Clauses.
- (b) The Parties shall be able to demonstrate compliance with these Clauses. In particular, the Data Importer shall keep appropriate documentation on the processing activities carried out on behalf of the controller.
- (c) The Data Importer shall make all information necessary to demonstrate compliance with the obligations set out in these Clauses available to the Data Exporter, which shall provide it to the controller.
- (d) The Data Importer shall allow for and contribute to audits by the Data Exporter of the processing activities covered by these Clauses, at reasonable intervals or if there are indications of non-compliance. The same shall apply where the Data Exporter requests an audit on instructions of the controller. In deciding on an audit, the Data Exporter may take into account relevant certifications held by the Data Importer.
- (e) Where the audit is carried out on the instructions of the controller, the Data Exporter shall make the results available to the controller.
- (f) The Data Exporter may choose to conduct the audit by itself or mandate an independent auditor. Audits may include inspections at the premises or physical facilities of the Data Importer and shall, where appropriate, be carried out with reasonable notice.
- (g) The Parties shall make the information referred to in paragraphs (b) and (c), including the results of any audits, available to the competent supervisory authority on request.

Clause 9 Use of sub-processors

MODULE TWO: Transfer controller to processor

- (a) The data importer has the data exporter's general authorization for the engagement of sub-processor(s) from an agreed list. The data importer shall specifically inform the data exporter in writing of any intended changes to that list through the addition or replacement of sub-processors at least ten (10) business days in advance, thereby giving the data exporter sufficient time to be able to object to such changes prior to the engagement of the sub-processor(s). The data importer shall provide the data exporter with the information necessary to enable the data exporter to exercise its right to object.
- (b) Where the Data Importer engages a sub-processor to carry out specific processing activities (on behalf of the Data Exporter), it shall do so by way of a written contract that provides for, in substance, the same data protection obligations as those binding the Data Importer under these Clauses, including in terms of third-party beneficiary rights for data subjects. The Parties agree that, by complying with this Clause, the Data Importer fulfils its obligations under Clause 8.8. The Data Importer shall ensure that the sub-processor complies with the obligations to which the Data Importer is subject pursuant to these Clauses.
- (c) The Data Importer shall provide, at the Data Exporter's request, a copy of such a sub-processor agreement and any subsequent amendments to the Data Exporter. To the extent necessary to protect business secrets or other confidential information, including personal data, the Data Importer may redact the text of the agreement prior to sharing a copy.
- (d) The Data Importer shall remain fully responsible to the Data Exporter for the performance of the sub-processor's obligations under its contract with the Data Importer. The Data Importer shall notify the Data Exporter of any failure by the sub-processor to fulfil its obligations under that contract.
- (e) The Data Importer shall agree a third-party beneficiary clause with the sub-processor whereby – in the event the Data Importer has factually disappeared, ceased to exist in law or has become insolvent – the Data Exporter shall have the right to terminate the sub-processor contract and to instruct the sub-processor to erase or return the personal data.

MODULE THREE: Transfer processor to processor

- (a) The data importer has the controller's general authorization for the engagement of sub-processor(s) from an agreed list. The data importer shall specifically inform the controller in writing of any intended changes to that list through the addition or replacement of sub-processors at least ten (10) business days in advance, thereby giving the controller sufficient time to be able to object to such changes prior to the engagement of the sub-processor(s). The data importer shall provide the controller with the information necessary to enable the controller to exercise its right to object. The data importer shall inform the data exporter of the engagement of the sub-processor(s).
- (b) Where the Data Importer engages a sub-processor to carry out specific processing activities (on behalf of the controller), it shall do so by way of a written contract that provides for, in substance, the same data protection obligations as those binding the Data Importer under these Clauses, including in terms of third-party beneficiary rights for data subjects. The Parties agree that, by complying with this Clause, the Data Importer fulfils its obligations under Clause 8.8. The Data Importer shall ensure that the sub-processor complies with the obligations to which the Data Importer is subject pursuant to these Clauses.
- (c) The Data Importer shall provide, at the Data Exporter's or controller's request, a copy of such a sub-processor agreement and any subsequent amendments. To the extent necessary to protect business secrets or other confidential information, including personal data, the Data Importer may redact the text of the agreement prior to sharing a copy.
- (d) The Data Importer shall remain fully responsible to the Data Exporter for the performance of the sub-processor's obligations under its contract with the Data Importer. The Data Importer shall notify the Data Exporter of any failure by the sub-processor to fulfil its obligations under that contract.
- (e) The Data Importer shall agree a third-party beneficiary clause with the sub-processor whereby – in the event the Data Importer has factually disappeared, ceased to exist in law or has become insolvent – the Data Exporter shall have the right to terminate the sub-processor contract and to instruct the sub-processor to erase or return the personal data.

Clause 10
Data subject rights

MODULE TWO: Transfer controller to processor

- (a) The Data Importer shall promptly notify the Data Exporter of any request it has received from a data subject. It shall not respond to that request itself unless it has been authorized to do so by the Data Exporter.
- (b) The Data Importer shall assist the Data Exporter in fulfilling its obligations to respond to data subjects' requests for the exercise of their rights under Regulation (EU) 2016/679. In this regard, the Parties shall set out in Annex II the appropriate technical and organizational measures, taking into account the nature of the processing, by which the assistance shall be provided, as well as the scope and the extent of the assistance required.
- (c) In fulfilling its obligations under paragraphs (a) and (b), the Data Importer shall comply with the instructions from the Data Exporter.

MODULE THREE: Transfer processor to processor

- (a) The Data Importer shall promptly notify the Data Exporter and, where appropriate, the controller of any request it has received from a data subject, without responding to that request unless it has been authorized to do so by the controller.
- (b) The Data Importer shall assist, where appropriate in cooperation with the Data Exporter, the controller in fulfilling its obligations to respond to data subjects' requests for the exercise of their rights under Regulation (EU) 2016/679 or Regulation (EU) 2018/1725, as applicable. In this regard, the Parties shall set out in Annex II the appropriate technical and organizational measures, taking into account the nature of the processing, by which the assistance shall be provided, as well as the scope and the extent of the assistance required.
- (c) In fulfilling its obligations under paragraphs (a) and (b), the Data Importer shall comply with the instructions from the controller, as communicated by the Data Exporter.

Clause 11 Redress

- (a) The Data Importer shall inform data subjects in a transparent and easily accessible format, through individual notice or on its website, of a contact point authorized to handle complaints. It shall deal promptly with any complaints it receives from a data subject.
- (b) In case of a dispute between a data subject and one of the Parties as regards compliance with these Clauses, that Party shall use its best efforts to resolve the issue amicably in a timely fashion. The Parties shall keep each other informed about such disputes and, where appropriate, cooperate in resolving them.
- (c) Where the data subject invokes a third-party beneficiary right pursuant to Clause 3, the Data Importer shall accept the decision of the data subject to:
 - (i) lodge a complaint with the supervisory authority in the Member State of his/her habitual residence or place of work, or the competent supervisory authority pursuant to Clause 13;
 - (ii) refer the dispute to the competent courts within the meaning of Clause 18.
- (d) The Parties accept that the data subject may be represented by a not-for-profit body, organization or association under the conditions set out in Article 80(1) of Regulation (EU) 2016/679.
- (e) The Data Importer shall abide by a decision that is binding under the applicable EU or Member State law.
- (f) The Data Importer agrees that the choice made by the data subject will not prejudice his/her substantive and procedural rights to seek remedies in accordance with applicable laws.

Clause 12 Liability

- (a) Each Party shall be liable to the other Party/ies for any damages it causes the other Party/ies by any breach of these Clauses.

- (b) The Data Importer shall be liable to the data subject, and the data subject shall be entitled to receive compensation, for any material or non-material damages the Data Importer or its sub-processor causes the data subject by breaching the third-party beneficiary rights under these Clauses.
- (c) Notwithstanding paragraph (b), the Data Exporter shall be liable to the data subject, and the data subject shall be entitled to receive compensation, for any material or non-material damages the Data Exporter or the Data Importer (or its sub-processor) causes the data subject by breaching the third-party beneficiary rights under these Clauses. This is without prejudice to the liability of the Data Exporter and, where the Data Exporter is a processor acting on behalf of a controller, to the liability of the controller under Regulation (EU) 2016/679 or Regulation (EU) 2018/1725, as applicable.
- (d) The Parties agree that if the Data Exporter is held liable under paragraph (c) for damages caused by the Data Importer (or its sub-processor), it shall be entitled to claim back from the Data Importer that part of the compensation corresponding to the Data Importer's responsibility for the damage.
- (e) Where more than one Party is responsible for any damage caused to the data subject as a result of a breach of these Clauses, all responsible Parties shall be jointly and severally liable and the data subject is entitled to bring an action in court against any of these Parties.
- (f) The Parties agree that if one Party is held liable under paragraph (e), it shall be entitled to claim back from the other Party/ies that part of the compensation corresponding to its/their responsibility for the damage.
- (g) The Data Importer may not invoke the conduct of a sub-processor to avoid its own liability.

Clause 13
Supervision

- (a) Where the Data Exporter is established in an EU Member State, the supervisory authority with responsibility for ensuring compliance by the Data Exporter with Regulation (EU) 2016/679 as regards the data transfer shall act as competent supervisory authority.

Where the Data Exporter is not established in an EU Member State, but falls within the territorial scope of application of Regulation (EU) 2016/679 in accordance with its Article 3(2) and has appointed a representative pursuant to Article 27(1) of Regulation (EU) 2016/679, the supervisory authority of the Member State in which the representative within the meaning of Article 27(1) of Regulation (EU) 2016/679 is established shall act as competent supervisory authority.

Where the Data Exporter is not established in an EU Member State, but falls within the territorial scope of application of Regulation (EU) 2016/679 in accordance with its Article 3(2) without however having to appoint a representative pursuant to Article 27(2) of Regulation (EU) 2016/679, the supervisory authority of one of the Member States in which the data subjects whose personal data is transferred under these Clauses in relation to the offering of goods or services to them, or whose behavior is monitored, are located shall act as competent supervisory authority.

- (b) The Data Importer agrees to submit itself to the jurisdiction of and cooperate with the competent supervisory authority in any procedures aimed at ensuring compliance with these Clauses. In particular, the Data Importer agrees to respond to enquiries, submit to audits and comply with the measures adopted by the supervisory authority, including remedial and compensatory measures. It shall provide the supervisory authority with written confirmation that the necessary actions have been taken.

SECTION III – LOCAL LAWS AND OBLIGATIONS IN CASE OF ACCESS BY PUBLIC AUTHORITIES

Clause 14

Local laws and practices affecting compliance with the Clauses

- (a) The Parties warrant that they have no reason to believe that the laws and practices in the third country of destination applicable to the processing of the personal data by the Data Importer, including any requirements to disclose personal data or measures authorizing access by public authorities, prevent the Data Importer from fulfilling its obligations under these Clauses. This is based on the understanding that laws and practices that respect the essence of the fundamental

rights and freedoms and do not exceed what is necessary and proportionate in a democratic society to safeguard one of the objectives listed in Article 23(1) of Regulation (EU) 2016/679, are not in contradiction with these Clauses.

- (b) The Parties declare that in providing the warranty in paragraph (a), they have taken due account in particular of the following elements:
- (i) the specific circumstances of the transfer, including the length of the processing chain, the number of actors involved and the transmission channels used; intended Onward Transfers; the type of recipient; the purpose of processing; the categories and format of the transferred personal data; the economic sector in which the transfer occurs; the storage location of the data transferred;
 - (ii) the laws and practices of the third country of destination– including those requiring the disclosure of data to public authorities or authorizing access by such authorities – relevant in light of the specific circumstances of the transfer, and the applicable limitations and safeguards;
 - (iii) any relevant contractual, technical or organizational safeguards put in place to supplement the safeguards under these Clauses, including measures applied during transmission and to the processing of the personal data in the country of destination.
- (c) The Data Importer warrants that, in carrying out the assessment under paragraph (b), it has made its best efforts to provide the Data Exporter with relevant information and agrees that it will continue to cooperate with the Data Exporter in ensuring compliance with these Clauses.
- (d) The Parties agree to document the assessment under paragraph (b) and make it available to the competent supervisory authority on request.
- (e) The Data Importer agrees to notify the Data Exporter promptly if, after having agreed to these Clauses and for the duration of the contract, it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under paragraph (a), including following a change in the laws of the third country or a measure (such as a disclosure request) indicating an application of such laws in practice that is not in line with the requirements in paragraph (a). [For Module Three: The Data Exporter shall forward the notification to the controller.]
- (f) Following a notification pursuant to paragraph (e), or if the Data Exporter otherwise has reason to believe that the Data Importer can no longer fulfil its obligations under these Clauses, the Data Exporter shall promptly identify appropriate measures (e.g. technical or organizational measures to ensure security and confidentiality) to be adopted by the Data Exporter and/or Data Importer to address the situation [for Module Three: if appropriate in consultation with the controller]. The Data Exporter shall suspend the data transfer if it considers that no appropriate safeguards for such transfer can be ensured, or if instructed by [for Module Three: the controller or] the competent supervisory authority to do so. In this case, the Data Exporter shall be entitled to terminate the contract, insofar as it concerns the processing of personal data under these Clauses. If the contract involves more than two Parties, the Data Exporter may exercise this right to termination only with respect to the relevant Party, unless the Parties have agreed otherwise. Where the contract is terminated pursuant to this Clause, Clause 16(d) and (e) shall apply.

Clause 15

Obligations of the Data Importer in case of access by public authorities

15.1 Notification

- (a) The Data Importer agrees to notify the Data Exporter and, where possible, the data subject promptly (if necessary with the help of the Data Exporter) if it:
- (i) receives a legally binding request from a public authority, including judicial authorities, under the laws of the country of destination for the disclosure of personal data transferred pursuant to these Clauses; such notification shall include information about the personal data requested, the requesting authority, the legal basis for the request and the response provided; or

(ii) becomes aware of any direct access by public authorities to personal data transferred pursuant to these Clauses in accordance with the laws of the country of destination; such notification shall include all information available to the importer.

[For Module Three: The Data Exporter shall forward the notification to the controller.]

- (b) If the Data Importer is prohibited from notifying the Data Exporter and/or the data subject under the laws of the country of destination, the Data Importer agrees to use its best efforts to obtain a waiver of the prohibition, with a view to communicating as much information as possible, as soon as possible. The Data Importer agrees to document its best efforts in order to be able to demonstrate them on request of the Data Exporter.
- (c) Where permissible under the laws of the country of destination, the Data Importer agrees to provide the Data Exporter, at regular intervals for the duration of the contract, with as much relevant information as possible on the requests received (in particular, number of requests, type of data requested, requesting authority/ies, whether requests have been challenged and the outcome of such challenges, etc.). [For Module Three: The Data Exporter shall forward the information to the controller.]
- (d) The Data Importer agrees to preserve the information pursuant to paragraphs (a) to (c) for the duration of the contract and make it available to the competent supervisory authority on request.
- (e) Paragraphs (a) to (c) are without prejudice to the obligation of the Data Importer pursuant to Clause 14(e) and Clause 16 to inform the Data Exporter promptly where it is unable to comply with these Clauses.

15.2 Review of legality and data minimization

- (a) The Data Importer agrees to review the legality of the request for disclosure, in particular whether it remains within the powers granted to the requesting public authority, and to challenge the request if, after careful assessment, it concludes that there are reasonable grounds to consider that the request is unlawful under the laws of the country of destination, applicable obligations under international law and principles of international comity. The Data Importer shall, under the same conditions, pursue possibilities of appeal. When challenging a request, the Data Importer shall seek interim measures with a view to suspending the effects of the request until the competent judicial authority has decided on its merits. It shall not disclose the personal data requested until required to do so under the applicable procedural rules. These requirements are without prejudice to the obligations of the Data Importer under Clause 14(e).

Part 2: Mandatory Clauses

Entering into this Addendum

1. Each Party agrees to be bound by the terms and conditions set out in this Addendum, in exchange for the other Party also agreeing to be bound by this Addendum.
2. Although Annex 1A and Clause 7 of the Approved EU SCCs require signature by the Parties, for the purpose of making Restricted Transfers, the Parties may enter into this Addendum in any way that makes them legally binding on the Parties and allows data subjects to enforce their rights as set out in this Addendum. Entering into this Addendum will have the same effect as signing the Approved EU SCCs and any part of the Approved EU SCCs.

Interpretation of this Addendum

3. Where this Addendum uses terms that are defined in the Approved EU SCCs those terms shall have the same meaning as in the Approved EU SCCs. In addition, the following terms have the following meanings:

Addendum	This International Data Transfer Addendum which is made up of this Addendum incorporating the Addendum EU SCCs.

Approved Addendum	The template Addendum issued by the ICO and laid before Parliament in accordance with s119A of the Data Protection Act 2018 on 2 February 2022, as it is revised under Section 18.

4. This Addendum must always be interpreted in a manner that is consistent with UK Data Protection Laws and so that it fulfils the Parties' obligation to provide the Appropriate Safeguards.
5. If the provisions included in the Addendum EU SCCs amend the Approved SCCs in any way which is not permitted under the Approved EU SCCs or the Approved Addendum, such amendment(s) will not be incorporated in this Addendum and the equivalent provision of the Approved EU SCCs will take their place.
6. If there is any inconsistency or conflict between UK Data Protection Laws and this Addendum, UK Data Protection Laws applies.
7. If the meaning of this Addendum is unclear or there is more than one meaning, the meaning which most closely aligns with UK Data Protection Laws applies.
8. Any references to legislation (or specific provisions of legislation) means that legislation (or specific provision) as it may change over time. This includes where that legislation (or specific provision) has been consolidated, re-enacted and/or replaced after this Addendum has been entered into.

Hierarchy

9. Although Clause 5 of the Approved EU SCCs sets out that the Approved EU SCCs prevail over all related agreements between the parties, the parties agree that, for Restricted Transfers, the hierarchy in Section 10 will prevail.
10. Where there is any inconsistency or conflict between the Approved Addendum and the Addendum EU SCCs (as applicable), the Approved Addendum overrides the Addendum EU SCCs, except where (and in so far as) the inconsistent or conflicting terms of the Addendum EU SCCs provides greater protection for data subjects, in which case those terms will override the Approved Addendum.
11. Where this Addendum incorporates Addendum EU SCCs which have been entered into to protect transfers subject to the General Data Protection Regulation (EU) 2016/679 then the Parties acknowledge that nothing in this Addendum impacts those Addendum EU SCCs.

Incorporation of and changes to the EU SCCs

12. This Addendum incorporates the Addendum EU SCCs which are amended to the extent necessary so that:
 - a. together they operate for data transfers made by the data exporter to the data importer, to the extent that UK Data Protection Laws apply to the data exporter's processing when making that data transfer, and they provide Appropriate Safeguards for those data transfers;
 - b. Sections 9 to 11 override Clause 5 (Hierarchy) of the Addendum EU SCCs; and
 - c. this Addendum (including the Addendum EU SCCs incorporated into it) is (1) governed by the laws of England and Wales and (2) any dispute arising from it is resolved by the courts of England and Wales, in each case unless the laws and/or courts of Scotland or Northern Ireland have been expressly selected by the Parties.
13. Unless the Parties have agreed alternative amendments which meet the requirements of Section 12, the provisions of Section 15 will apply.

14. No amendments to the Approved EU SCCs other than to meet the requirements of Section 12 may be made.
15. The following amendments to the Addendum EU SCCs (for the purpose of Section 12) are made:
 - d. References to the “Clauses” means this Addendum, incorporating the Addendum EU SCCs;
 - e. In Clause 2, delete the words:

 - f. Clause 6 (Description of the transfer(s)) is replaced with:

“The details of the transfers(s) and in particular the categories of personal data that are transferred and the purpose(s) for which they are transferred) are those specified in Annex I.B where UK Data Protection Laws apply to the data exporter’s processing when making that transfer.”;
 - g. Intentionally Omitted.
 - h. Clause 8.8(i) of Modules 2 and 3 is replaced with:

“the onward transfer is to a country benefitting from adequacy regulations pursuant to Section 17A of the UK GDPR that covers the onward transfer;”
 - i. References to “Regulation (EU) 2016/679”, “Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (General Data Protection Regulation)” and “that Regulation” are all replaced by “UK Data Protection Laws”. References to specific Article(s) of “Regulation (EU) 2016/679” are replaced with the equivalent Article or Section of UK Data Protection Laws;
 - j. References to Regulation (EU) 2018/1725 are removed;
 - k. References to the “European Union”, “Union”, “EU”, “EU Member State”, “Member State” and “EU or Member State” are all replaced with the “UK”;

 - r. The footnotes to the Approved EU SCCs do not form part of the Addendum, except for footnotes 8, 9, 10 and 11.

Amendments to this Addendum

16. The Parties may agree to change Clauses 17 and/or 18 of the Addendum EU SCCs to refer to the laws and/or courts of Scotland or Northern Ireland.

17. If the Parties wish to change the format of the information included in Part 1: Tables of the Approved Addendum, they may do so by agreeing to the change in writing, provided that the change does not reduce the Appropriate Safeguards.
18. From time to time, the ICO may issue a revised Approved Addendum which:
 - a. makes reasonable and proportionate changes to the Approved Addendum, including correcting errors in the Approved Addendum; and/or
 - b. reflects changes to UK Data Protection Laws;

The revised Approved Addendum will specify the start date from which the changes to the Approved Addendum are effective and whether the Parties need to review this Addendum including the Appendix Information. This Addendum is automatically amended as set out in the revised Approved Addendum from the start date specified.

19. If the ICO issues a revised Approved Addendum under Section 18, if any Party selected in Table 4 “Ending the Addendum when the Approved Addendum changes”, will as a direct result of the changes in the Approved Addendum have a substantial, disproportionate and demonstrable increase in:
 - a. its direct costs of performing its obligations under the Addendum; and/or
 - b. its risk under the Addendum,

and in either case it has first taken reasonable steps to reduce those costs or risks so that it is not substantial and disproportionate, then that Party may end this Addendum at the end of a reasonable notice period, by providing written notice for that period to the other Party before the start date of the revised Approved Addendum.

20. The Parties do not need the consent of any third party to make changes to this Addendum, but any changes must be made in accordance with its terms.
